8.3. Discussion on Well No. 2 Evaluation: Mr. Garton gave a summary of the letter dated May 7, 2025 from Gilmore & Associates. He stated Michael McHugh of Dublin Borough Public Works, reported that the Well levels at Well No. 2 (near the Water Tower) have been running low. Due to this observation, steps were taken to evaluate the Well and it was determined by Gilmore & Associates that the Well needs to be hydro fractured to improve the capacity of the well. Raab Well Drilling, Inc. has provided an estimate of \$6,209.00 to perform the work, if approved.

Motion by Mr. Mayes, seconded by Mr. Kessler and unanimously carried, approving Raab Well Drilling, Inc. to perform the Hydro-Frac on Well #2 per Estimate #6548 dated May 6, 2025 for \$6,209.00.

On May 6, 2025 Gilmore & Associates and Borough staff met at the Village Greene Basin to discuss basin repairs. During the meeting, the addition to the project of basin inflow pipes and flared end sections were discussed. Mr. Sharer asked for clarification of the additional work suggested. Mr. Garton explained that the inflow pipes coming into the basin from Cobblestone Road were rusted out and collapsed as well as some pipes going out to Deep Run Road. This work would be in addition to the grant but can be bid alternates for Council's consideration.

Motion by Mr. Sharer, seconded by Mr. Mayes and unanimously carried, authorizing to advertise Bid for Village Greene Basin Project.

8.5. Discussion on Ordinance No. 149 Nonessential Water Use: Mr. MacNair explained that currently the Ordinance adopted in 1984 related to public, as well as private wells, prohibits the watering of lawns, flowers, vehicles, etc. and filling swimming pools. There is also a restriction for service of water at restaurants unless specifically asked for by customers. A discussion began regarding how the Ordinance can be updated or amended to be most effective. Mr. Sharer added that a provision should be added that would allow the Borough to declare an emergency outside of the typical emergencies declared by the County or State. Fines imposed and enforcement of the Ordinance were also discussed. Mr. MacNair advised any changes to the Ordinance must be advertised.

Motion by Mr. Mayes, seconded by Mr. Brennan and unanimously carried, authorizing the Borough Solicitor to prepare a draft amendment to Ordinance No. 149 such that these current prohibited uses are prohibited during the time of emergency.
